

Internship Editorial/Marketing/Sales

The global leader in solar trade publishing **pv magazine** is offering internships in the editorial / marketing / sales departments - beginning as soon as possible.

pv magazine comprises an international team and we are looking for multilingual interns who are ambitious in their daily work and want to build experience in journalism and/or the publishing business.

Fluent English and good German are required. We also offer jobs as a student assistant!

Conditions:

- University studies, or degree
- **Currently enrolled as a student**
- German and English good to very good level

Please send your application and information regarding your earliest possible starting date to jobs@pv-magazine.com

We are pv magazine.

We are where you are doing business worldwide!
